There was a motion by Kruse, supported by Zaring, to approve the minutes of the March 10, 2008 meeting. Motion passed 5-0

Mark Sandstedt gave an update on the survey being done thru WSCC. There has not been a good response at this time. They are going to try to improve the number of responses. People answering the survey, for the most part, are not in favor of an additional 22 cents increase. There was some discussion on this.

Keith Brown gave his E.D. report and told members that PEG has received an increase from Filer Twp. Trucks commented on having someone from Kiwanis intern to tape shows etc.

Under unfinished business - Tribal Management, Zaring said everything regarding an office, studio, etc. for PEG is on hold due to other projects. He has watched the first 30 minute tape that has been done.

New Business - Keith stated PEG still does not have a Student/Youth Member which the City is trying to do for all the commissions. If you know of someone interested in doing this please contact him.

Concerns & Comments - Zaring had a conversation with a Manistee Twp. Supervisor who stated the Township would rather be approached with an equipment needs list than requests for more money.

The next meeting date was set for Monday, July 14 at 6:30 p.m. in the conference room at Manistee High School.

There was a motion by Kruse, seconded by Zaring to adjourn at 6:50 p.m.
